

Charitable Agreement – “Let’s Build a Bridge” Campaign

This Charitable Agreement (“**Agreement**”) is made between the undersigned donor (“**Donor**”) and Hikwai District Trust, a registered charity (“**Trust**”), in support of the construction of the Tairua River Suspension Bridge to connect the northern and southern sections of the Tairua River Trail (“**Project**”).

The Donor has agreed to contribute to the Project on the terms below.

1. **Donation:** The Donor will contribute \$2000 for each bridge deck plank (one). Donors may contribute for more than one plank, if they so wish. The planks form the main deck of the 120m long by 1.8m wide suspension bridge.
2. **Recognition:** In recognition of the Donation:
 - (a) For each deck plank Donation, the Donor will be entitled to have their name (or dedicated name, subject to Trust approval) displayed on the deck plank and/or the adjacent Donor Honours Board.
3. **Naming Rights:**
 - (a) All naming is subject to size, placement, material, design, and wording to be determined by the Trust acting reasonably, and to compliance with any applicable laws, consents, and safety standards. The Donor will provide the approved name within the timeframe requested by the Trust
 - (b) The Trust reserves the right to sell separate naming rights for the bridge (and/or its piers) and other recognition opportunities, including at higher values, without limiting or affecting the Donor’s recognition under clause 2.
4. **Receipts and Tax:** The Trust will issue an official tax receipt for the amount paid upon receipt of funds.
5. **Use of Funds:** The payment is for the Project. If the Project scope changes in a way that materially affects recognition under clause 2, the Trust will consult with the Donor in good faith to agree an alternative recognition of comparable value.
6. **Communications and Privacy:** The Donor consents to the Trust contacting the Donor about the Project and to the Trust using the Donor’s name for acknowledgement of support, unless the Donor requests anonymity in writing. The Trust will handle personal information in accordance with applicable privacy laws.

By signing below, the Donor agrees to the terms of this Agreement.
